About
US

OUR VISION:
TO ACTIVELY CONTRIBUTE TO THE PERFORMANCE OF OUR CUSTOMERS BY PROVIDING HIGH VALUE SOLUTIONS FOR A SUSTAINABLE AVIATION WORLD.

THEY TRUST US

Revima is a leading independent MRO (Maintenance, Repair & Overhaul) solutions provider, specialized in APU, Engine Parts and Landing Gear, for civil and military aircraft through five dedicated services:

REPAIR & OVERHAUL
ENGINE PARTS
MATERIAL SOLUTIONS
DIGITAL SOLUTIONS
LEASING

With committed and passionate employees across locations in France, Asia, North America and the Middle East, Revima boasts over 100 years of history.

Revima supports aircraft operators, lessors, and repair stations worldwide, positioning the company as one of the most experienced MROs in the world, with extensive understanding of airline expectations, best in class value services.

Revima is an EASA & FAA Part 145, certified organization, as well as benefiting from approvals from numerous agencies.

Need more info ?

REPAIR & OVERHAUL

Revima has built a solid repair & overhaul expertise in APUs, Landing Gears and associated LRUs.

It is one of the world leaders in its sector thanks to on time delivery, dedicated customer support, worldwide AOG Support 24/7, comprehensive documentation delivery, back to birth traceability, pool access, full in-house repair capabilities.

ENGINE PARTS

This service benefits from highly specialized teams offering engine part repairs across more than 2500 part numbers, including: coating, brazing, welding & machining capabilities as well as additive manufacturing capabilities.

Turbine part repairs / Manufacturing
Routing / Welding / Forming /
Brazing / Riveting / Machining
Coatings: overlay, diffusion, plating
X-Ray / MPI / FPI
QEC management capacities

MATERIAL SOLUTIONS

Airlines, lessors, MROs, no matter how frequent or extensive your needs are, our dedicated service, available 24/7/365, specializes in sourcing your spare requirements for all aircraft types.

Backed by a skilled team of engineers at Revima, this service offers custom-design and cost-attractive solutions based on overhauled or serviceable parts and components.

DIGITAL SOLUTIONS

Through advanced prognosis, diagnosis, analysis and trend monitoring, this service offers optimized on-wing operations. Integrated into one specific team, our Fleet Management service is the perfect one-stop shop for demanding operations.

Significantly enhanced data analytics accurately predict impending failures & deteriorated performance of components, making it possible to take preventive actions prior to aircraft/system operational defects.

LEASING

This service provides lease packages to satisfy many requirements thanks to its important inventory of rotables.

Revima's expertise in high priority components make it the best solution to avoid costly depreciation and cash-flow impacts.

we are solution-centric

SIMPLE
value propositions

YES
we deliver solutions with guarantees

We facilitate our employees' involvement in sponsorship activities, selecting actions that convey our values such as "Bab el Raid", "Rallye des Gazelles" and "Cap Femina" with a humanitarian and ecological vocation.

Our CAPABILITIES

AUXILIARY POWER UNIT

- AIRBUS A300 / A300-600 / A320 Family / A380
- BOEING 717 / 737 / 747-400 / 747-800 / 787 / DC10 / MD11
- BOMBARDIER Dash 7 / Dash 8-100 / Dash 8-200 / Dash 8-300
- BAE SYSTEMS BAE 146 / Avro RJ
- EMBRAER ERJ / E-Jet
- FOKKER 50
- SAAB 2000
- DE HAVILLAND Dash 8-400

ENGINE PARTS

Component Repair

- LEAP-1A/1B, CFM56
- PW100/200/600 series
- PW901/PW980 APU
- PT6-A/B/C/T Engines
- APS500/1000/2300/3200/5000 APU
- CF6-80
- PW2000 / PW4000
- Part 145 EASA/FAA/TCCA/CAAC

Specialized Processes

- Laser Additive Manufacturing
- NADCAP Diffusion Coatings (Aluminium, Chromium, Platinum) & Thermal Spraying (Atmospheric Plasma and Wire Arc)
- NDT (X-Ray / FPI / CMM) & NADCAP Laboratory (SEM / Optical / Chemical)
- Welding, brazing, machining 5 axis, sheet metal work

LANDING GEAR

Airbus

- A320 Family
- A300-600R
- A330
- A340

Boeing

- B787
- B747-400 & 400ERF / 747-800
- B777 all types including 300ER & 200 LR / MD11
- B737
