China Airlines Selects REVIMA for APS5000 APU MRO

China Airlines, a Taiwan-based carrier, and REVIMA entered into a long-term APU MRO agreement, under which REVIMA will provide Power By The Hour (PBTH) support to China Airlines' B787 APU fleet. Services include APU and LRU repairs and Predictive Maintenance.

Olivier Legrand, President & CEO of Revima, commented, "REVIMA is extremely proud of having been selected by China Airlines, a premium international Airline with impressive safety and passenger satisfaction ratings. Our long-term agreement has been structured to provide maximum value to China Airlines, from top quality to best-in-class life cycle management of their B787 APU fleet. Our unique digital Services offering will be made available, from Predicare, to Effifuel, Opticooling & Optipower, all directed at maximum ground operations efficiency."
